

FEATURES:

Premium Line's 24 port wall mount fiber optic box is designed for direct termination of fibers. The box includes two separate sections: one for the fusion splice trays and one for the cable routing. The cable entries/exits are sealed with a flexible grommet, which can be adjusted to the desired cable diameter at installation to protect the inside of the box against dust and debris during and after installation.

- suitable for SC, ST simplex and LC duplex adapters
- easy to install and maintain
- color: grey
- position of splice cassette adjustable
- lockable front door
- dimension 480*430*110 mm
- RoHS compliant
